

Indications regarding the casting of written ballots (postal voting) for persons eligible to vote

Dear voters,

Enclosed with this information sheet, you will receive all documents necessary for the casting of a written ballot (postal voting) for the election of the works council election within the following company:

The following documents are included

- the election notice from the,
- the publication of the voting proposal/voting proposals,
- one voting ballot and one (small) voting envelope,
- a personal statement regarding the casting of written ballots (postal voting),
- one (larger) return envelope to enclose all documents.

Please proceed as follows to vote.

1. Be certain that you can vote without being observed.
2. Read the present information sheet, the election notice and the voting proposal/voting proposals carefully.
3. Vote by an unambiguous and clear marking of the voting ballot. Please take the explanations on the ballot regarding the number of crosses into account. Be certain, that you fill out the ballot **personally and without being observed**.
4. Immediately put the ballot into the (small) voting envelope and close the envelope.
5. Put the (small) voting envelope into the (larger) return envelope.
6. Fill out the personal declaration regarding postal voting and sign it after having indicated the place and the date.
7. Put the personal declaration into the (larger) voting envelope together with the (smaller) voting envelope, and seal the larger envelope. Please be certain that you did not put the personal declaration into the (smaller) voting envelope. **This would void your ballot.**
8. Send the return envelope to the election board in time. This can be done through normal postal service or by handing it directly to the office of the election board. Said office is located in:
